A MESSAGE FROM THE PRESIDENT

Our success is achieved through Board of Directors and membership participation. What we do as an organization cannot be achieved without board members generously volunteering their time. If you run into a board member, please thank them for dedicating time to ASHE. I initially touched on the theme of participation in my first newsletter this year as President, and with the Board, also envisioned planning events that capture our entire membership, increasing young member participation, growing membership, and engaging college students.

When I take a look at all of the fantastic volunteer organizations across Pennsylvania, I believe ASHE Harrisburg delivers the most robust events program. This year, we added more events as well as asked the question, are we capturing our entire demographic/membership? Essentially, respecting tradition while creating new traditions. I would measure success here by the Board's willingness to try new ideas as well as level of attendance at events. The Board worked tirelessly to exceed expectations, which is why we were so successful this year.

Our young member participation significantly increased with an amazing idea that was well executed. This started with a survey of how young members prefer to communicate. This communication tool was then utilized to schedule pop up events. Young member attendance and communication set records this year. I hope we continue to encourage young member participation.

We also increased our overall membership this year from 356 to 420 members, which is incredible. Thank you to all the new members and to those who helped recruit these new members.

Lastly, we made a significant effort engaging our Shippensburg student chapter and other area college student programs this year, inviting them to every event. At times, students attending our events can be challenging depending on conflicts with classes, workload, proximity to the event, etc. While we may have hoped for more attendance, I do believe we have seen some results in the submission of scholarships, which is fantastic!

Did we deliver our Vision this year? I think we more than delivered a highly successful year that was the result of a lot of hard work from the Board of Directors and member participation.

–Kevin

EVENT RECAPS

JOINT HARRISBURG– WILLIAMSPORT SECTIONS MIXER HELD MARCH 13

On March 13, the Harrisburg Section and Williamsport held a joint social mixer. The event was held at the Bull Run Tap House in downtown Lewisburg. It allowed members from both sections to network with each other and PennDOT District 3 staff and to also enjoy the beverages and appetizers from the tap house. **Over 75 members attended the event.**

TECH LUNCH - BRIDGES TO PROSPERITY HELD APRIL 8

The ASHE Harrisburg Section welcomed Allyson Radford, Michael Baker International, to a luncheon at Strock Enterprises in Mechanicsburg where she provided a detailed account

of her involvement with the Bridges to Prosperity (B2P) organization. **Thirty-five attendees** learned of the great work B2P does across the globe to provide connectivity and improve the daily lives of people in a way that many of us in the developed world can take for granted at times.

Allyson's experience in Rwanda was a fantastic reminder of why many in our industry got involved in the first place – to make real impacts to real people regardless of the size or scale of the projects we complete.

BOWLING OUTING HELD MARCH 20

ASHE Harrisburg's 2nd Annual Bowling Outing was held March 20th at ABC East Lanes. **Five more lanes were filled from last year, for a total of 108 bowlers.** The afternoon started with lunch and socializing. This was followed by three fun games of bowling with a twist. The first game had contestants trying to get as many BINGOs as possible by achieving specific goals as they bowled.

The second game was traditional bowling and team scoring. The final game included 9-tap, where 9 pins on your first roll equaled a strike. Tickets were earned for the various point levels which could then be entered to win a vast variety of prizes.

The ultimate goal of raising money for the ASHE Harrisburg Scholarship Fund was achieved with proceeds reaching over \$1,400 (a 33% increase from the inaugural event last year). This year's event built on the success of last year and provided an enjoyable event for all. We're looking forward to continuing the tradition next year and hope to fill the entire alley while continuing to raise scholarship funds.

GO AXE THROWING!

On April 16, a few of our young members met up at Stumpy's Hatchet House in Herhsey to let out some steam! We threw axes and enjoyed some pizza and drinks. Many of our young members are also joining in on the Adopt-A-Highway cleanup on the 17th. We hope to see more new faces at our future events as we find other fun things to do as a group!
